Developer License for the software may not be shared or used by more than one individual developer. In a project that uses the software, each individual developer on the project requires a separate Developer License as long as they need to access the API.
 2. **Runtime License.** If either case below is true, in addition to the developer license you purchased, you need to purchase runtime licenses.
 - i. You exposed the API (application program interface) to your end users. That is your end user will use our API directly to create an application through the purchase of your product.
3. **DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.**
 - A. **Not for Resale Software.** You may not resell, distribute, or otherwise transfer for value or benefit in any manner, the software or any derivative work using the software. You may not transfer, rent, lease, lend, copy, modify, translate, sublicense, time-share or electronically transmit the software, media or documentation. This also applies to any and all intermediate files, source code, and compiled executables.
 - B. **Limitations on Reverse Engineering, Decompilation, and Disassembly.** You may not reverse engineer, decompile, create derivative works, modify, translate, or disassemble the software, and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. You agree to take all reasonable, legal and appropriate measures to prohibit the illegal dissemination of the software or any of its constituent parts and redistributables to the fullest extent of all applicable local, US Codes and International Laws and Treaties regarding anti-circumvention, including but not limited to, the Geneva and Berne World Intellectual Property Organization (WIPO) Diplomatic Conferences.
 - C. **Rental.** You may not rent, lease, or lend the software.
Separation of Components, Their Constituent Parts and Redistributables. The software is licensed as a single product. The software and its constituent parts and any provided redistributables may not be reverse engineered, decompiled, disassembled, nor placed for distribution, sale, or resale as individual creations by you or any individual not expressly given such permission by CodeRight.  - i. You may not remove or alter any copyright, trademark or other proprietary rights notice contained in any portion of libraries, source code, Redistributables or other files that bear such a notice.
 - ii. CodeRight provides no warranty at all to any person, and you will remain solely responsible to anyone receiving your programs for support, service, upgrades, or technical or other assistance, and such recipients will have no right to contact CodeRight for such services or assistance.
 - iii. Your programs containing the software must be written using a licensed, registered copy of the software.
 - iv. Your programs must add primary and substantial functionality, and may not be merely a set or subset of any of the libraries, code, Redistributables or other files of the software.

With respect to technical information you provide to CodeRight as part of the Support Services, CodeRight may use such information for its business purposes, including for product support and development.
- F. **Software Transfer.** You may NOT permanently or temporarily transfer ANY of your rights under this SLA to any individual or entity. Regardless of any modifications which you make and regardless of how you might compile, link, and/or package your programs, under no circumstances may the libraries, redistributables, and/or other files of the software (including any portions thereof) be used for developing programs by anyone other than you. Only you as the licensed end user have the right to use the libraries, redistributables, or other files of the software (or any portions thereof) for developing programs created with the software. In particular, you may not share copies of the Redistributables with other co-developers. If you leave the company or go to another group where the software is no longer used, you may transfer the license to another developer within the team. After the transfer, you are no longer allowed to use the software.
- G. **Termination.** Without prejudice to any other rights or remedies, CodeRight will terminate this SLA upon your failure to comply with all the terms and conditions of this SLA.
